Art Unit: 2164

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-2, 4-7, 10-15, 17-19 and 21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1, 11 and 21: Each of claims 1, 11 and 21 specify an identity stored in the memory, although the claims do not specify what the identity is used for or why it exists. This can be clarified by specifying that the owner associated with the specified identity modifies the data object.

Claims 1 and 21: Each of claims 1 and 21 define a last step of modifying the data object. Since each of claims 1 and 21 are apparatus, claims, it is not clear whether the method steps defined in the last lines of the claims are actually further limiting the apparatus. This can be clarified by stating: wherein the apparatus is configured so that said object owner can modify said data object.

Claims 2, 4-7, 10, 12-15 and 17-19: Depend on claims 1 and 11 respectively.

Claims 1-2, 4-7, 10-15, 17-19 and 21 would be allowable if written to overcome the rejections under 35 USC 112, second paragraph, in the manner specified.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after

Art Unit: 2164

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
